Coffee Over Top In War Bond Sales; Two Planes Named

Coffee County has topped its quota in the Second War Loan Drive, which ended Saturday night, May 1, by over \$50,000. The county's quota for the drive was \$356,000.

Citizens of the Enterprise Division of the county invested \$312,607.50 and citizens of the Elba Division, \$80,441.75 in war bonds during this drive, while Coffee County within itself invested \$15,000, making a total of \$408,049.25, or \$52,049.25 in excess of its quota.

At the close of the campaign B. E. Henderson and J. Alex Huey, co-chairmen for the drive in the Enterprise Division, stated: "We are exceedingly pleased with the result of the Second War Loan Drive in the Enterprise Division of Coffee County where there was invested a total of \$327,607.50, including \$15,000 purchased by the County. "This fine showing was made possible only by the splendid cooperation and untiring efforts of a splendid corps of workers and the excellent spirit manifested by our citizens as a whole, to all of whom we are deeply grateful."

Dozier Roberts, chairman for the Elba Division, also expressed his appreciation for members of the committee who helped in the campaign and put the county "over the top." A number of large sales had been made in the Elba territory just before the drive started and no credit could be claimed for these. "Many people in Elba who are buying war bonds on a regular monthly basis, made special sacrifice during the campaign and bought extra bonds, and this fine spirit is to be highly commended," stated Mr. Roberts.

Pupils of the Elba schools were also commended for their splendid work in the "Jeep Campaign" by the Elba Chairman and Committee. Already enough purchases have been made to buy two Jeeps and more is expected before school closes the last of this month.

Mr. Roberts stated that two Medium Bombardment Planes would be named for Coffee County, due to the fact that the county went over four hundred thousand dollars, the amount necessary to pay for two planes.

FORMER ELBA WOMAN DIES AT MT. VERNON

On last Friday, Mr. W. J. Bullard was notified that his sister, Mrs. Belle Stoudermire, had died at the home of her son, J. D. Stoudermire, at Mt. Vernon.

Mrs. Stoudermire, before her marriage, was Miss Belle Bullard, and was born and reared in the vicinity of Elba. She has been away from Elba 35 or 40 years, but many of our older residents remember her.

Her death leaves Mr. Bullard as the only surviving member of his parents' children. On account of war conditions, he was unable to make his connections soon enough to attend his sister's funeral, which was held at Mt. Vernon on Saturday.

DRIVE TUESDAY FOR CRIPPLED CHILDREN

The drive to raise funds for benefit of the Crippled Children's Society will be made in Elba on next Tuesday, May 11, according to announcement made yesterday by Prof. J. C. Dixon, chairman for the Elba area.

In most sections of the county the campaign has already been made. All citizens are urged to make a liberal contribution to this most worthy cause. Hundreds of afflicted children are being given treatment through the society, and the funds raised here will enable this work to be carried on through the coming year.

Mr. and Mrs. Clyde Ballard, of St. Andrews, Fla., spent the week-end in Elba with relatives.

Coffee Farmers Making Use Of Conservation Crops

By J. T. Albritton

Work Unit Conservationist
D. H. James, of Enterprise, has died in ten acres of Austrian winter peas and is planting corn after them. He is not applying any commercial fertilizer to his corn and expects to harvest 50 bushels of corn per acre. He planted his peas the latter part of September, 1942.

L. M. Hornsby, in New Hope community, has turned over by bedding twelve acres of Austrian winter peas and planted corn in the furrow. He applied a small amount of commercial fertilizer to his corn to give it a start. He says that he harvests 35 to 40 bushels of corn per acre by planting corn after Austrian winter peas. His peas were planted the first part of October.

Nathan Rhoades, of Kinston, has turned his blue lupine and followed it with cotton.

Porter Helms, who lives on Enterprise-Elba road, has applied barnyard manure to his kudzu and daced it in. He says his kudzu will help him in pasturing this year by giving temporary grazing.

CADET EASTERS PROMOTED TO LIEUTENANT

Aviation Cadet R. D. Easters, son of Mrs. Eva Easters, of Elba, was recently commissioned a Second Lieutenant in the Army Air Forces at Turner Field, Albany, Ga., Colonel John B. Patrick, Commanding Officer.

Turner Field, an Advanced Flying School, is one of a group of Air Bases which composes the Army Air Forces Southeast Training Center. It is here that Aviation Cadets are sent for their final phase of training which culminates in their receiving their much coveted wings and commissions. Second Lieutenant in the Army Air Forces.

STONINA-MATHIS

Miss Alfreda Stonina, 20, daughter of former Mayor and Mrs. Anthony J. Stonina, became the bride of Captain Benjamin B. Mathis, 24, U. S. Air Force, of Elba, Ala., now on duty at the Westover Field Airbase, at a ceremony at the airbase chapel Wednesday. The ceremony was performed by Rev. James E. Orr, a chaplain at Westover. Captain Mathis, one of the youngest officers at the base, is a son of P. Gordon Mathis and Georgia (Page) Mathis, of Elba, Ala.

Marriage intentions originally were filed at the city clerk's office Monday, and were withdrawn when it was feared that he was leaving at once. On Wednesday the intentions were refiled and a waiver was obtained for an immediate marriage.

Westover, Mass., News.
The table appointments were baskets of white rosebuds and ferns and candles and a beautifully embossed cake in the shape of the division insignia. From this beautifully decorated table the delicious menu was served buffet style and the guests were then seated at small tables, with floral center decorations, which were arranged in the living room and on the porch.

Guests on this delightful occasion were: Major and Mrs. Lynn Yeatis, Major Mike Tindall, Lt. and Mrs. R. A. Hamilton, Lt. and Mrs. Ray Griffin, Lt. and Mrs. H. H. Fick, Lt. and Mrs. W. P. Kennedy, Lt. and Mrs. Irving Hurley, Lt. Thomas Hoshall, Captain Jim Crawford, Captain Dick Langston, Captain Hedges, Captain Ray Carlson, Captain Asher K. Pay, Roy, and Mrs. Ross Clark, Mr. and Mrs. D. B. Nelson, Mr. and Mrs. J. V. Wright, and the hosts, Lt. Col. and Mrs. G. H. Garrison.

BAPTIST CIRCLE NO. 1 MET WITH MRS. FOX—

Circle No. 1 met with Mrs. O. M. Fox on April 26. Devotion was given by Mrs. T. D. Kendrick. A very interesting program was given. Mrs. Ralph Shea was a visitor and also had an interesting part on the program.

WISE-JOHNSON

The marriage of Miss Nancy Wise, of Ino community, to Lewis Johnson, of Panama City, Fla., took place at the Elba court house on May 1st. Soon after the marriage they left for Panama City, where Mr. Johnson is employed as a welder in a shipyard.

W. J. Steele, Former Mayor Of Elba, Died Friday In Dothan

Dothan, Ala., May 2.—Funeral services for W. J. Steele, 62, of 505 Headland Avenue, who died in a local hospital Friday afternoon following a week's illness, will be held in Birmingham today.

Former Superintendent of City Schools in both Elba and Enterprise and former mayor of Elba, Mr. Steele came to Dothan in 1920 and entered the brokerage business. He was a member of the Baptist Church.

Surviving are his wife, three sons, Wm. J. Steele, Jr., of Miami, Fla.; Walter F. Steele, of Birmingham, and Arthur Steele, of the U. S. Army; a brother, R. Vernon Steele, of Los Angeles, Calif.; two sisters, Mrs. Joe Tate, of Birmingham, and Mrs. Lydia Weeks, of Blountsville, Ala.; and one grandchild.

STUDENTS RECOMMENDED FOR CAREER CONFERENCE

Montevallo, Ala., May 4.—Ten students from Elba High School and New Brockton High School have been recommended by Principals J. C. Dixon and Olen D. Roberson to receive invitations to the tenth annual Student Career Conference to be held June 22-25 at Alabama College. The students recommended are: Misses Martha Edmondson, Carolyn English, Betty Ann Farris, Mary Lee, Joanne Lovell and Ann Wright, of Elba High School; Misses Jettie Fuller, Norma Johnson, Annie J. Martin and Miriam Wise, of New Brockton High School.

The theme of the 1943 Student Career Conference is "War Time Planning." Through addresses by the conference leaders and 21 round tables conducted by the women experienced in the several occupations, the present vocational outlook for young women will be presented and discussed.

The recreational facilities of the college, including the tennis courts and swimming pool, will be available for use of those attending the Conference. A part of each day will be reserved for recreation, which will include a picnic at the college camp house, and an informal evening party.

PINCKARD-BUCKLES

Mrs. C. L. Pinckard announces the marriage of her daughter, Mary Emma, to Pfc. Paul L. Buckles, on April 15, in Elba, with Captain Ralph Shea, chaplain of the 81st Division, officiating.

The bride is a popular member of the younger social set in Elba and many friends will be interested in her marriage. The groom is a native of Watauga, Tenn., and was stationed at Camp Rucker for several months. He is now on assignment in Nashville, Tenn.

LITTLE HEN—BIG EGG

Mr. E. D. Lee, custodian of the court house and grounds, was exhibiting an unusually large egg last Wednesday, which according to Ang Vaughan's scales weighed one-quarter of a pound. It was produced by a white Leghorn hen and was one of the largest of that type we have seen. Mr. Lee stated that all eggs from this hen were unusually large.

P. S. Later in the week Mr. Lee reported that the little hen was found dead in the coop. Probable cause of death: overwork.

SINCE 1906 THE BRITISH INFANT MORTALITY RATE HAS FALLEN FROM 154 TO 53 PER 1,000.

KINSTON BETA CLUB ENJOYS ACTIVE YEAR

A meeting of the Kinston Beta Club was held on April 20. The president took charge. Several discussions of previous unfinished business were taken up and a general summary of the year's work was made by Mr. Nevin. Plans for a week-end on the coast were discussed. Mr. Anderson, secretary and instructor and basketball coach, explained the general outline for the organization of a Victory Corps to become active at the beginning of the next school term.

During this school year the Beta Club has sponsored a war bond and stamp drive, which proved very successful. Interest was created by a repetition of sales among the different classes in high school.

Above expenses the Beta Club has cleared \$105 from a school supply store. With the money the club has purchased a loudspeaker and a speaker stand for the Kinston High School auditorium. The club is looking forward to an even more prosperous year next year.

The following members constitute the Kinston Beta Club: James Ellis, president; Mildred Ballard, vice-president; Robert Wise, secretary; Alcus Davis, treasurer; and Rue Nette Qualls, reporter. Kathleen Perry, Louise Peacock, Sara Ellen Farris, Waydene Baker, Nell Meek, Johnnie J. Stephens, Dollie Mae Pate, Myrtle Bell Moulton, Edna Earl Wise, Annie Ruth Daye, Ida Frances Free, Mollie Lee Clark, Blanche Redmon, Sue Donaldson, Sara Lee Kendrick, Onita Bedsole, Sara Frances Hataway, with Mr. E. C. Nevin as sponsor.

Million Jews Slain in Poland

One-Third of Number in Country Are Put to Death by Nazis

LONDON.—One million persons, nearly a third of Poland's Jewish population, perished in three years of German occupation. Dr. Ignacy Szwarcbart, Jewish member of the Polish national council in London, told a New York Times correspondent, amplifying Polish government information on the new Nazi onslaught on the Jews.

Plans outlined by Dr. Alfred Rosenberg—who says that the Jewish problem of Europe will be solved when no Jews are left—are systematically carried out. The victims are executed by mass-murder and gassing are only part of the thousands dying through "the organized spreading of diseases and the artificial creation of conditions in which children, elderly people and the sick cannot survive, as Dr. Szwarcbart described it.

Million Jews Menaced. A million more persons, at least, are menaced by starvation and the lack of medical supplies. The Nazis make it plain that all Jews not wanted for military reasons must die. Poland is now a mass grave. Jews from all Europe are brought into two groups: the able-bodied young and the children, old and sick, who are dispatched eastward to meet sure death. Lublin, indeed, has two ghettos, one for able workers, the other for the useless condemned to destruction.

One hundred thousand have been brought from Czechoslovakia and tens of thousands from Germany, Austria, Hungary, Holland, Belgium and France. The Jews from the West have been completely closed for several weeks and no news has been allowed to penetrate through its walls.

Warplane reports tell of a mass electrocution was carried out at Bzadz. Deportees from Warsaw were packed into a barracks and ordered to strip naked, ostensibly to have a bath—then they were pushed into a room with a metal floor. The door was locked and current was passed. Death came instantaneously. A large digging machine was installed near by to dig mass graves.

Wise Explains His Stand. Rabbi Stephen S. Wise, acting as chairman of a special conference of Jewish organizations, announced here that the organizations were convinced of the authenticity of a rumored Hitler order for the immediate extermination of all Jews in German-controlled Europe.

He listed the organizations for which he spoke as the American Jewish Congress, American Jewish Labor committee, Agudath Harabanim, B'nai B'rith, Synagogue Council of America and the World Jewish Congress.

These organizations, Rabbi Wise said, had authorized him to invite the aid of any Christian organization ready to speak out on behalf of the Jewish victims.

Rabbi Wise explained that his group believed in the authenticity of the extermination order on the basis of affidavits obtained by the state department from Jewish sources of information in free countries.

Rabbi Wise said the state department documents included affidavits from "reliable persons who knew of such atrocities as turning Jewish bodies into fat and soap and lubricants, and of the latest Nazi method of killing Jews by having doctors inject air bubbles into their veins. He said the earlier gassing with prussic acid had been found too expensive.

Let's Double Our Quota

There is no restriction of farm slaughter of beef, veal, lamb and pork for home use.

However, farmers are urged to conserve home-slaughtered meat carefully, observing the 2½ pounds per person per week request. If any home-slaughtered meat leaves the farm for delivery to other persons, the farmer immediately becomes subject to regulations of non-quota slaughterers who cannot deliver for civilian use during a current period any more beef, pork, lamb or mutton than they did during the corresponding period in 1941.

During his lifetime, the average man consumes 200-300 pounds of food and water.

SUGAR AVAILABLE FOR HOME CANNING

Auburn, Ala.—Sugar for home canning of 1943 fruit crops will be available to housewives on approximately the same basis as last season, announced Price Administrator Prentiss M. Brown in a letter to P. O. Davis, director, Extension Service, A. P. I.

No deduction of blue (processed foods) point stamps will be made from War Ration Book Two for sugar obtained for this purpose.

In the 1942 season, housewives applied for their local boards for allotments of sugar on the basis of one pound for each four quarts of fruit that it was planned to can, and, in addition, for one pound for each member of the family. Roughly the same pattern will be used to give home canning allotments this year, although there will be some refinements in procedure. Formal amendments giving details of the program will be issued within the next few days.

"The allotment of sugar for home canning reflects my desire to see America's housewives preserve the fullest possible amount of the 1943 fruit crop," said Mr. Brown. "We cannot afford to let fruit go bad for want of sugar to preserve it, even though sugar itself is rationed."

Kirke Allred, Aviation Chief Electrician Mate, was transferred last week to Pensacola, Fla., from San Diego, Calif., where he has been stationed for several months. During his sixteen years' service in the Navy, Kirke has always had an assignment on ship, and news of his assignment to the Pensacola base brings joy to his family and friends. Mrs. Allred and little daughter move down from Montgomery Friday and joined Mr. and Mrs. Guy Folsom for a week-end visit to Pensacola.

Mrs. S. Allred was already in Pensacola, guest in the home of Mr. and Mrs. Herbert Richburg.

Ration Board States Plan For Securing Sugar For Canning

People in Coffee County who are in need or will need sugar for the purpose of canning fruits are hereby notified that the following plan has been worked out for Coffee County.

1. Those needing sugar to can fruits and fruit juices are instructed to go to their nearest community store. The merchant will assist them in filing OPA Form R 315. Persons are instructed to take War Ration Book No. One for each member of the family to the community store. Persons are instructed to take the record of the number of quarts of all fruits and juices that were canned in 1942. One member of the family can file an application for the entire family.

2. The applications taken by the community store operator together with the War Ration Book No. One for each application will be mailed in to the War Price and Rationing Board No. 10, New Brockton, Alabama, for the Board's consideration.

3. The War Price Rationing Board No. 10 at New Brockton will mail sugar purchase certificates together with War Ration Book No. One back to applicant.

4. The War Price Rationing Board at New Brockton will issue the sugar purchase certificates by taking into consideration the need for sugar and also the ration issued by the O.P.A., each consumer may get one pound of sugar per 4 quarts of finished canned fruits or fruit juices up to 25 pounds. Not more than 5 pounds per person may be issued for making jams, jellies, preserves and fruit butters. The five pounds for this purpose, however, is included in the 25 pounds of sugar per person allowed.

People of Coffee County are reminded that this home canning program is a war program and that the sugar is to be used strictly for purposes outlined above.

It is hoped that people in Coffee County will use this program for the purposes for which it was intended and that it will not be necessary for the War Price Rationing Board at New Brockton to report violations.

Harlie B. Johnson, son of Mrs. A. L. Johnson, Route 2, Troy, is now stationed at South Plains Army Flying School, Lubbock, Texas, the "Home of the Winged Commandos." Upon completion of his training in the giant cargo and troop-carrying gliders, he will receive a commission as second lieutenant or an appointment to flight officer. In civilian life he was a farmer.

Crippled Children To Go To Clinic May 14

Twenty-five of Coffee and Geneva Counties' crippled children will go to Andalusia, Friday, May 14, to attend the second clinic of the year, which will be held by Dr. Hannon, orthopedic surgeon of Mobile and state representative in the work with crippled children.

Following an examination and X-ray in the clinic, Dr. Hannon will make recommendations by seal sales, the children have received treatment which would not otherwise have been possible. Two braces and as many specially built shoes have been provided in Coffee County during the past year.

The Geneva group will be accompanied to Andalusia by Mrs. Marguerite Bricken and the Coffee group will be in charge of Miss Laverne Johnson, public health nurse.

STUDENTS COMPLETE PHYSICAL EXAMS

Dr. G. L. Weidner, district health officer, announces that the high school pupils in the New Brockton school will complete their physical examination this week. This will include dental and other physical examination. The eyes of these pupils have already received examination.
